### World Meeting of Families a year on....Message from Pope Francis:

"It was in the family that each of us  
took his or her first steps in life.  
There we learned to live together in  
harmony, to master our selfish  
instincts and reconcile our  
differences, and above all to discern  
and seek those values that give  
authentic meaning and fulfilment to  
our lives."

**Radio Maria Ireland:** A  
representative of this Catholic Radio  
Station will speak at masses in the  
parish on the weekend of 21st/22nd
